

Community Fridges

Colleagues are very welcome to take food from the fridge, but there may also be an option to give a donation to a local charity.

There are fridges across our sites as follows:

- Cote Lane: in Garden House staff room and in the small kitchenette in Oatley House (behind Ruth Taylor's office).
- Monica Wills House (staff room)
- Sandford Station: Russets staff room
- The Chocolate Quarter: staff room on the ground floor
- Westbury Fields: John Wills house staff room

The team cannot always guarantee what quantity of food will be placed in the fridges, but it's always worth looking.
