Use of BNPL is growing fast, but consumers need to be aware of the dangers.

Stuck repaying high cost debt? Consolidate!

Even if you don't have an excellent credit score, with Money@Work you could still be eligible for an affordable loan, at rates of **6.9% APR for loans of £5,000 or more.**

Consider applying for a loan with Money@Work to consolidate your debts, shrink monthly repayments and build your credit score as you go.

Quote of the month

"Money@Work has helped me to pay off existing debt, lowered my monthly payments which in turn improved my credit score."
